

Have You Invested In Miami Consolidated?

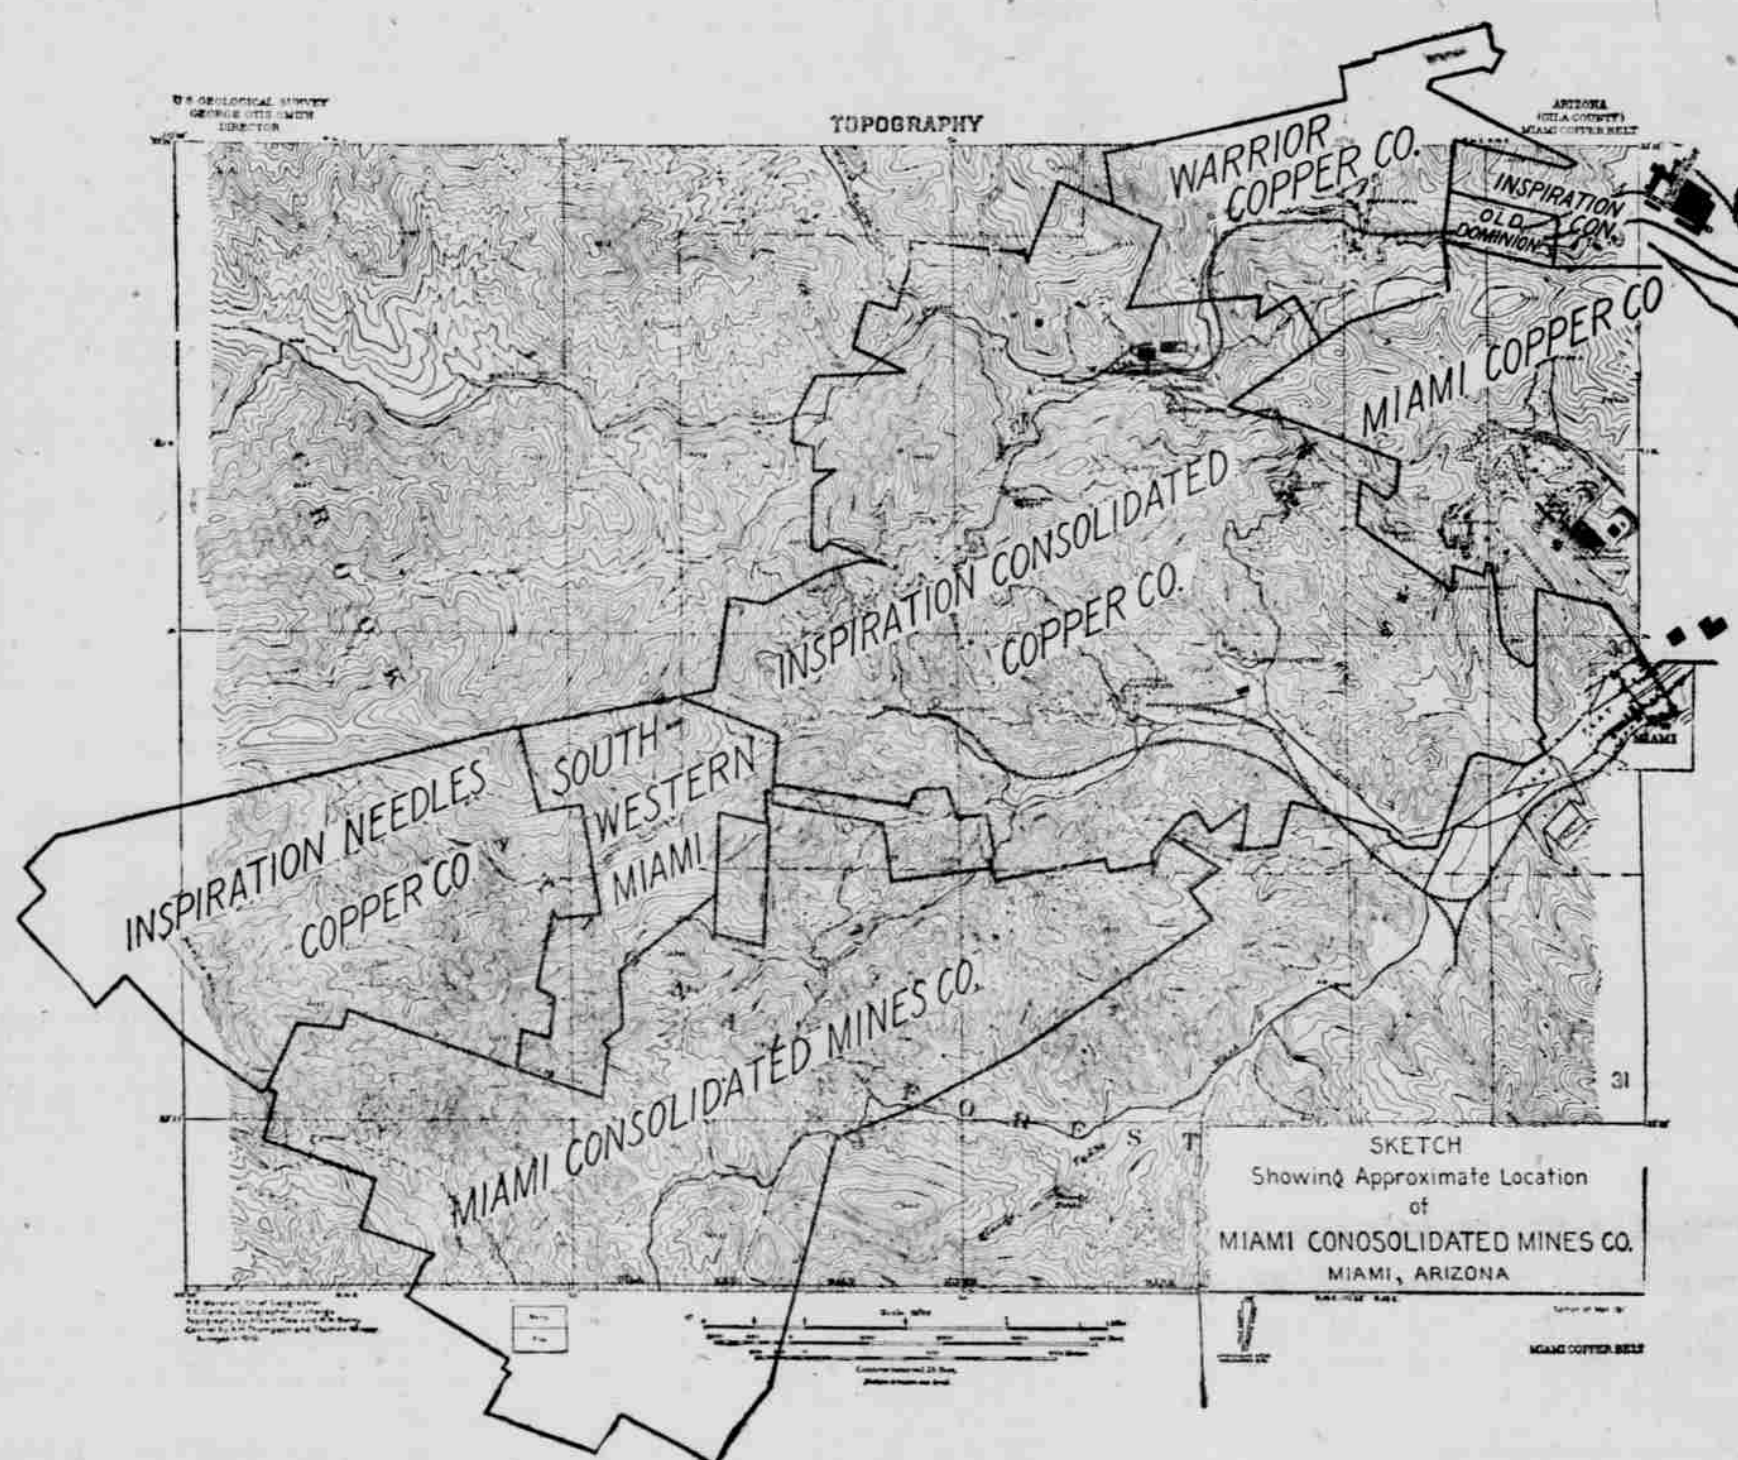

If you have not yet secured your shares in the Miami Consolidated Mines Company, and if you intend to participate in this promising venture, we urge that you delay no longer. The Shares are going very rapidly and the allotment for this district cannot last long. This property, we consider, is the most promising porphyry group undeveloped in the district. The money obtained through the sale of shares in the Company will be put into the ground and we are confident that the results will justify the expenditure---we believe the property contains an extension of the Live Oak ore body, and, if such is the case, the Miami Consolidated has a BIG copper mine.

Management

Operations of this Company will be conducted under the management of able and efficient mining men of acknowledged ability and efficiency, working under the direction of Major J. H. Dockweiler, whose judgment and ability in mining affairs is unquestioned. The financial affairs of the Company will be entrusted to a finance committee, on which are John S. Cook and Harry Lefkovits, whose financial standing is well known.
